- **Specifically, the project intends to:**

1. Enhance the teachers' capacities and their methodologies so that they effectively equip the students (graduate level and beyond) with the skills to conduct independent research.
2. Enhance the mentors' capacities to effectively guide the students in their research activity.
3. Enhance the research capacities of the academic and managerial staff through study visits and tailored trainings.
4. Strengthen the managerial capacities for research activities and innovation in institutional level by setting or strengthening dedicated research and innovation support structures (RISS).
5. Promote research excellence and innovation by developing a network that eases the interdisciplinarity and cooperation among local and international actors

- 60 lecturers and mentors trained on new teaching methodologies and mentoring.
- 18 new teaching methods that equip students with research skills
- 2 Mentorship guideline developed and implemented by 3 HEIs
